**City Square Mall invites community related interest groups to organise events  
at the mall**

*City Green (Level 1)*

*Fountain Square (Basement 1)*

Singapore, 18<sup>th</sup> November 2010 – City Square Mall, owned and managed by City Developments Limited (CDL) is offering community related interest groups free venue spaces, City Green and Fountain Square, to organise events on the condition that the events seek to engage the community-at-large. Only non-commercial events can be organised at both City Green and Fountain Square.

City Green is a 49,000 square foot urban park, designed and developed by CDL in consultation with the National Parks Board (NParks), and managed by CDL on behalf of NParks. A star attraction of the park is the eco-playground that features equipment constructed with wood sourced from forest product producers certified by the Forest Stewardship Council (FSC), a certification system that promotes responsible forest management worldwide. City Green's 1,250 sq ft outdoor event space can host up to 150 people.

City Square Mall's Fountain Square, located at Basement 1, near the mall's entrance to Farrer Park MRT station, is a sheltered outdoor space (3,900 sq ft) that can be used for community events. The venue can host up to 500 people for a standing event. Fountain Square is also home to Play Fountain, a water-play feature which operates daily with interactive musical fountain shows between 12pm to 2pm and 6pm to 10pm when events are not held. An energy efficient fan measuring 24 feet (7.32 metres) provides a naturally cooled environment for activities held at the Fountain Square.

“City Square Mall is envisioned to be a community hub where families and youths alike meet, shop and play while acquiring an eco-learning experience. We hope that by making City Green and Fountain Square available as a free venue space, not-for-profit groups can have a place to organise events and activities that benefit the community at large,” says Mr. Tan Boon Tuck, Centre Director for City Square Mall.

Free monthly mass line-dance sessions are held at City Green every first and third Saturday of the month from 2pm to 6pm. Fountain Square has hosted several other community events such as a mass breastfeeding event where 100 mothers came together in support the World Breastfeeding Week, in addition to the launch event of I Choo(SE) organised by the Social Enterprise Association to encourage public to support Social Enterprises.
