This endorsement reinforces our commitment to our shoppers and motivates us to continue providing everyone in the family with a comfortable and enriching shopping experience at the mall."

Since its establishment, City Square Mall has been known as Singapore's first eco-mall, which provides a host of state-of-the-art green building features to raise eco-awareness among shoppers, tenants and the community as a whole. It has also been recognised as a family-friendly mall, with extensive family-friendly features and some 200 tenants that cater to the lifestyle needs of everyone in the family, spanning across different generations. Integrated with a 49,000 sq ft urban park named City Green, City Square Mall is envisioned as a miniature 'town-centre' which provides the perfect setting for the community to meet, play and shop while acquiring an eco-learning experience.

Moving forward, City Square Mall would continue to organise more activities and promotions aimed at the family, such as the upcoming Barney & Friends Live Show during the June school holiday. Daily from 7 to 22 June, except Mondays, families can look forward to sing and dance with Barney, Baby Bop and BJ. In addition, the kids can even stand a chance to snap a photo with the cast, or dress in their favourite Barney & Friends costumes and capture the moment.
