Singapore, 18 March 2019 – As part of the global Earth Hour movement to spread awareness on energy waste, City Square Mall invites everyone to join in the annual celebration as the mall counts down to an hour of lights-off on **30 March 2019**, at the **B1 Fountain Square**.

From 4.30pm to 10.00pm, shoppers can look forward to more than just saving energy for one hour as City Square Mall shines the spotlight on the need to live sustainably with family activities such as a PUB roadshow with guest appearance by Water Wally, a bottle piggy bank making workshop, games on water conservation, as well as a free movie screening of Disney's Moana.

Roadshow and Water Wally Appearance

In collaboration with the Public Utilities Board (PUB), shoppers can make a pledge to save water at the water conservation roadshow together with Water Wally, who will be making a special guest appearance from 5pm to 8pm at hourly intervals.

Roadshow Time: 4.30pm – 8.30pm

Bottle Piggy Bank Making Workshop

Do your part to help recycle by creating your very own DIY piggy bank from recycled bottles, at the Bottle Piggy Bank Making Workshop. Shoppers who register at the venue will be provided with recycled bottles and other materials to customise their personal piggy banks.

Workshop Time: 7.00pm – 8.30pm

Quiz and Countdown

After learning more about water conservation at the roadshow, challenge yourself in a water conservation quiz before the lights go off, and stand a chance to win attractive prizes! In support of Earth Hour, and as part of City Square Mall's commitment to environmental sustainability, lights of selected areas around the mall and other non-essential lights will then be switched off for an hour from 8.30pm.

Quiz Time: 8.00pm

Lights-Off Time: 8.30pm – 9.30pm

Movie Screening

Once the lights go off, sit back and relax with a free movie screening of Disney's Moana. Join Moana as she discovers her own identity through her quest to become a master way-finder. Together with Maui, the once-mighty demigod, they set sail across the open ocean on an action-packed voyage, encountering enormous monsters and impossible odds.

Time: 8.30pm – 10.00pm
