**11 December 2021:** City Square Mall presenting a token to the representatives of Limbang Division at the Tree of Hope and Wishes to mark the fulfilment of all 100 wishes

In this season's spirit of joy and gifting, City Sunshine Club – the employee volunteer platform of City Developments Limited (CDL) – joined in the celebrations with its **Gift-A-Wish** initiative at City Square Mall, in its ongoing efforts to give back to the wider community. This meaningful initiative saw success in fulfilling all 100 festive wishes from children living in rental units in the Limbang Division under the North West District. Together with the public's generosity, wishes do come true for these children. The festive wishes included colouring sets to ignite their artistic creativity, back-to-school essentials including school bags and stationeries, and kick scooters for some fun leisure time. These were granted and presented by City Square Mall to the Limbang Division at the mall's symbolic Tree of Hope and Wishes on 11 December 2021.

**12 December 2021:** Minister for Finance Mr Lawrence Wong presenting a gift from the Gift-A-Wish initiative to a child in the Limbang division

These gifts were then presented to the excited children by Guest of Honour Minister for Finance Mr Lawrence Wong on 12 December 2021.

Following on a similar charitable note, City Sunshine Club has also organised the **Gift-A-Voucher** initiative, which is currently ongoing till 29 December 2021. Continuing the spirit of giving and sharing to bring cheer, 250 NTUC FairPrice vouchers worth \$20 each will be gifted to the families living in rental units in the Limbang Division in the North West District. The QR codes for these vouchers can also be found on the Tree of Hope and Wishes at City Square Mall's Level 1 Atrium. Shoppers and tenants can easily adopt a voucher by scanning the QR code to select a voucher to adopt, fill in the necessary information before proceeding to City Square Mall's NTUC FairPrice at Basement 1 to purchase. Any remaining vouchers will be sponsored by City Sunshine Club to ensure that all the beneficiary families receive this warm-hearted gift for their festive celebration, and will be presented to the residents during North West CDC's annual distribution drive – WeCare @ North West - Service Weeks in January 2022. CDL has been supporting this annual community outreach as a long-standing partner, with CDL's corporate volunteers packing and distributing care packs to the residents at Limbang Division every year.

City Sunshine Club and City Square Mall hope to inspire and motivate everyone to join in to make this a jolly and meaningful season for the givers and beneficiaries alike.
